

Certificate

Standard **ISO 9001:2015**

Certificate Registr. No. **01 100 1300511**

Certificate Holder:

MAX BÖGL

Fortschritt baut man aus Ideen.

Max Bögl Stiftung & Co. KG

Max-Bögl-Str. 1
92369 Sengenthal
Germany

including the locations according to annex

Scope:

Administration, building engineering, industrial building, modular building, parking deck building, reconstruction and refurbishment, turnkey building projects, facility management, civil engineering, sewage/pipeline constr., traffic infrastr.construction, surveying, microtunneling, railway constr., bridge constr., engineering, refurbishment and sealing work, special civil engineering, tunnel construction, research/ development, laboratory, project development, production of pre-fabricated concrete parts, raw-/building materials, logistics and fleet management, rental of equipment, repairs and maintenance, planning and construction, assembling, establishment of construction sites and supply, construction of formwork, insurance services, steel-framed building construction, building of steelbridges, human resources development, manufacturing and installation of wind turbines, natural energy storage for renewable energy. Planning, production, logistic and assembly of buildings in massive building-block design

Proof has been furnished by means of an audit that the requirements of ISO 9001:2015 are met.

Validity:

The certificate is valid from 2018-11-27 until 2021-11-26.
First certification 1995

2018-09-25

LGA InterCert GmbH
